

CITY IN BRIEF

Born:

To Mr. and Mrs. Walter Hubbard yesterday a handsome son and heir. Mother and child are reported to be doing nicely.

Hand Badly Crushed.

Tom Fisher, a miner employed at the Heaton shaft of the S. & P. company, suffered a severe accident yesterday. A boulder falling from the roof of the drift mangled his left hand so severely that it was found necessary to amputate the thumb while the index finger was broken and badly mangled.

Consumption Statistics.

prove that a neglected cold or cough puts the lungs in so bad a condition that consumption germs find a fertile field for fastening on one. Stop the cough just as soon as it appears, with Ballard's Horehound Syrup. Soothes the torn and inflamed tissues. Sold by LOWELL DRUG CO., Lowell, Arizona.

Gets New Collar.

Teddy, the big pup which is the pride of the attaches of the Copper Queen hotel, was yesterday presented with a handsome collar which he wears with great pride. Today is as large as a calf, but still has more to grow and his development is watched with interest by his friends. Needless to say, he is the only dog on the Copper Queen premises, as his size is enough to frighten an ordinary animal into spasms.

Went Deer Hunting.

Frank Harrington, Fred Sutter and George Gage went hunting Saturday and returned home Sunday night. The expedition was organized in the nature of a deer hunting party and they went over the divide near Lewis Springs. However, no venison steaks are sizzling over the fire since their return. Quail on toast, however, is said to be the bill of fare.

A Hair's Breadth Escape.

Do you know that every time you have a cough or cold and let it run on thinking it will just cure itself you are inviting pneumonia, consumption or some other pulmonary trouble? Don't risk it. Put your lungs back in perfect health and stop that cough with Ballard's Horehound Syrup. Price 25c, 50c and \$1.00 per bottle.

Sold by LOWELL DRUG CO., Lowell, Ariz.

KEEP YOUR HEAD UNCOVERED.

The Constant Wearing of a Hat Propagate Dandruff Germs.

There are many men who wear their hats practically all the time when awake, and are blessed with a heavy shock of hair; yet if the scalps of these same men once became infested with dandruff germs, the parasites would multiply all the quicker for lack of air. Badness would ensue as the final result. Newbro's Herpicide kills these germs and stimulates unhealthy hair to abundant growth. Herpicide is a pleasant hair dressing as well as a dandruff cure, and contains not a atom of injurious substance. Sold by leading druggists. Send the 10 stamps for sample to The Herpicide Co., Detroit, Mich. One dollar bottles guaranteed.

BISBEE DRUG CO., Special Agents.

Bisbee Woman's Club members will please return Charity Ball tickets and money at once to Mrs. A. E. Hurst.

Saloon Changes Hands.

David Hassler has bought David Johnson's interest in the Colorado saloon in Brewery Gulch, and will operate it individually hereafter.

Dairy Will Move.

The Cananea Dairy Co., will move today from its present location under the Gillman jewelry store on Main street to a new location on the O. K. Trail. The quarters hitherto occupied have proven inadequate to the concern's growing business, so a new building, with an office and bulk repositories, has been selected.

Pioneer Dies.

L. S. Merrill received word yesterday that his brother's wife, Mrs. J. S. Merrill, had died at St. Louis. Mrs. Merrill was a pioneer resident of St. David's, locating there in 1877, and was well known throughout the district. L. S. Merrill will leave this morning for St. David's to attend the funeral.

Wykoff to Kansas City.

The body of W. C. Wykoff, the machinist who died as the result of injuries in the Junction shaft, will be shipped today to Kansas City, Mo., for interment. The widow and a nephew, Earl Wykoff, will accompany the body.

Frank Dunn, weight 175 pounds, a local pugilist, challenges anyone to meet him in a finish go at those figures or thereabouts. As it is against the territorial laws to hold a prize fight within the borders, Dunn is figuring on pulling the match off at Naco, Sonora, should anyone be willing to accept his challenge.

ONCE WASTE—NOW WEALTH.

About a quarter of a century ago cotton seed was thrown away as absolutely worthless. Today, products representing an enormous total are made from this once-despised cotton seed. Improved processes of crushing and refining the oil have resulted in a product equal to the purest olive oil in nutritive value. From it is produced a cooking fat (called Cottole) which is claimed by physicians to be purer and much more wholesome than lard, and it is much more economical as well. As this fact becomes generally known the use of cotton seed oil in the form of Cottole will be practically unlimited.
